

Weekly Class Newsletter

November 7, 2016

Happy Tuesday!!

This week we are moving forward with our focus on finding the area and perimeter in our rectangles and squares. They will practice with length times width and multiplication word problems.

In reading, we are coming to a close with our nonfiction unit but will add in finding the meaning of unknown words in the text. We will build our understanding using context clues as well as highlighting evidence within a text and use text features.

Thank you for all your help at home and any questions, please feel free to email me!

Dates to Remember:

November 8, 2016: 2 hour delay due to election and voting

November 10th: Track out day! We will return December 5th 😊

November 11th: NO SCHOOL due to Veterans Day!

Track out packets: Please encourage your child to complete the packet little at a time during track out. It will be review with math, extra practice they need, and reading passages on their level to help with comprehension.

I will also send out a sign up genius in regards to help needed with our Winter Celebration. I will have three slots for the chicken platter in case three people would like to divide the amount and one person pick up but again, you are invited and do not need to feel obligated to bring anything. Thank you for any help!
