

# Weekly Class Newsletter

October 31, 2016

Happy Tuesday!!

This week we are connecting the types of properties with division and multiplication problems. They will also connect properties with area and perimeter. We will discuss commutative, associative, and distributive properties.

In reading, we are coming to a close shortly with our nonfiction unit but will add in finding the meaning of unknown words in the text. We will build our understanding using context clues as well as highlighting evidence within a text and use text features.

Thank you for all your help at home and any questions, please feel free to email me!

## Kids Kreations Art Fundraiser

This exciting program allows each participating artist to have artwork professionally processed into a variety of exclusive items. Look inside to find a free page of stickers created from your child's artwork! These products make unique keepsakes and wonderful gifts for the entire family! Kids Kreations product samples are on display inside our display case across from the gym for viewing. Please take some time to review the order packet with your child's artwork. To place an order **ONLINE**: Follow directions located on the back of your child's personalized brochure. Visit your organization's Kids Kreations Webstore. Enter your **Art ID Code** in the search bar. Select your Art Image. Select products and purchase no later than **November 1st, 2016**.
